

REMARKS

In the latest Office Action the Examiner indicated that claims 11-19 were allowed and that claim 4 would be allowable if rewritten into independent form.

By way of this amendment, claim 1 has been amended to include the recitations of claim 4. Thus, claim 1 and its dependent claims should be in condition for allowance.

Minor amendments have been made to clarify the language of claim 11 but should not affect the allowability of this independent claim and its dependent claims.

In view of the foregoing it is believed that this application is now in condition for allowance and such action is respectfully requested. If the Examiner believes that personal contact would be advantageous to the disposition of this case, he is requested to call the undersigned at his earliest convenience.

Respectfully submitted,
